

Are you in need of a day at the beach? A day to slow down, wiggle your toes in the sand, and just bask in the warmth of the sun? Most women long for a day like this—even those who live miles from the nearest coastline! So, make plans to join us for our annual women's conference on Saturday, March 10, 2012.

SeaSide Escape is a day when you can slow down and enjoy time with other women and with God. We'll talk about seven items typically found at the beach as metaphors for what we'll learn that day. We'll enjoy an unforgettable worship experience, and an open invitation for you to draw closer together with women, be still in God's presence, and sun yourself in His love!

Women of all ages and from all life experiences will be encouraged. Whether single, married, widowed, divorced, 20-something, 70-something, with young children, an empty-nester, retired—it doesn't matter! This is *your* women's conference! We'll all share in the day together, be encouraged, and have fun!

SeaSide ESCAPE

WHERE WOMEN BASK IN GOD'S PRESENCE

Your Day!

Join us as we head to the beach with seven items we'll need for a relaxing, refreshing time there. As women, we often pack our bags full of things we think we need and tend to get weighed down. Carrying a lot of luggage around doesn't make for a restful day! We'll start our day tying this concept to the story of Sarai from the book of Genesis and see how her "baggage" made it hard for her to trust God.

We'll share in the warmth of sunshine to remind us of the warmth of friendship, discover how sand reminds us when we try to take things into our own hands things are apt to get messy, and much more! (Don't want to give away all the fun!)

So, clear your calendar, be sure to register, and join us!
